Please excuse the tardiness in replying to your note of 27 May. As you can see from the attached note, I have asked the members of the EAG to consider your recommendations for "talking points" with the various groups they address.

Thank you for the ideas and onward and upward.

Note For: EAG Members

Not long ago I had an interesting session with members of the Agency's Federal Women's Program Board. Some of the things they had to say about the Agency and the plight of women in it seemed to me to be worthy of themes each of us should take when speaking to Agency groups such as the Mid-Career, Senior Seminar and the like. Attached are the suggestions.
